New Delhi, the 3rd July, 1959.

SUBJECT.—*Import of machinery and machine tools under U.S. Export-Import Bank Programme*

No. 69-ITC(PN)/59.—Attention of all importers who have been issued licences under the U.S. Export-Import Programme, for the import of plant and equipment, including machine tools, from the U.S.A. is invited to the Ministry of Commerce and Industry Public Notices No. 27-ITC(PN)/58 and No. 28-ITC(PN)/58, dated the 18th April, 1958, as modified by Public Notice No. 101-ITC(PN)/58, dated 2nd December, 1958. It is hereby notified for the information of all concerned that shipment of goods against licences issued under this programme, is not possible in ships other than U.S./Indian flag vessels, and that goods imported in violation of this condition will not be allowed to be cleared from the customs, necessitating re-shipment of the goods back to the U.S.A., at the cost and risk of the importer.

2. As notified in paragraph 2 of Public Notice No. 101-ITC(PN)/58 of 2nd December, 1958, the India Supply Mission, Washington, D.C. will exercise the function of co-ordinating shipment of cargoes financed under the U.S. Export-Import Bank Programme. All importers are, therefore, requested to instruct their suppliers/shippers to send advanced information about the cargoes proposed to be shipped to the Director, India Supply Mission, Shipping Branch, 2536, Massachusetts Avenue, Washington, D.C., giving the following particulars:—

- (1) Brief cargo description;
- (2) Value of cargo;
- (3) Approximate ocean freight charges;
- (4) Approximate weight or measurement on which freight is to be paid;
- (5) Arrangements, if any, made/being made for shipment alongwith probable date of sailing and nationality of the vessel, if known.

After shipment, the suppliers/shippers should send a further report to the India Supply Mission as required in paragraph 2 of the said Public Notice No. 101-ITC(PN)/58 of 2nd December, 1958.

3. It has also been brought to the notice of Government that the U.S. Export-Import Bank has been approached by certain U.S. suppliers in certain cases for relevant forms of Exhibits 'A' to 'E' and 'G' which were annexed to the Public Notices No. 27-ITC(PN)/58 dated 18th April, 1958 and No. 28-ITC(PN)/58, dated 18th April, 1958 and revised in Public Notice No. 95-ITC(PN)/58 of 19th November, 1958. It is notified for the information of the importers that the

U.S. Export-Import Bank does not stock these forms and in order to avoid inconvenience to all concerned, the importers themselves should furnish such forms to U.S. suppliers alongwith the orders. The suppliers may also be advised that the required number of receipted invoices (showing clearly that the amount has been received by the suppliers), Exhibits and other documents are to be sent to the importers in India for submission to the licensing authority and that in no case should the documents be sent direct to the U.S. Export-Import Bank.
